Re: Records Request

Dear Mr. Underwood:

On May 4, 2022, the Washoe County School District (District) Office of the General Counsel received your records request sent after business hours on May 3, 2022 in which you requested records reflecting the quantity, ages, schools, and sexes assigned at birth of students participating in the District's "Gender Support Plans". There are no public records responsive to your request.

Sincerely,

/s/Breanne Read
